White Out							x	x			x	
Zipper Pencil Bag	1											
Students will need a separate pair of athletic shoes for PE and a clean/unaltered Paw Paw PE uniform.	x											

The above list is provided to students and parents in order to have the proper supplies needed for class. Please review your child's class schedule and plan accordingly. A student's grade will be reduced if required supplies are not brought to class each day. If a supply item is marked as "All H.S. Students" then enough of that supply item needs to be brought to school for several classes. It is asked that each student bring one large box of plain facial tissue (no lotions or fragrance) to school for classroom use. The PE uniform for High School students will need to be clean, no torn or cut areas, and replaced during the year if it becomes torn or wears out. PE grades are impacted when a student does not have the required PE uniform. Students will not be allowed to participate wearing street shoes. A clean athletic shoe will need to be worn for PE class. If a student isn't allowed to participate due to not having proper PE equipment they can fail the class impacting their ability to meet graduation requirements.

**Attention Parents: Thanks to the generosity of the Back to School Bash those students who are registered at Paw Paw on the first day of school will receive the following school supplies for FREE. Please plan accordingly when shopping so you don't buy supplies that your student will receive on August 17th.**

- 8 black pens
- 8 #2 pencils
- 2 college loose leaf packs of paper
- 6 notebooks
- 6 folders
